Getting around Jamaica Plain

Forest Hills is the southern terminus of the Orange Line and also serves the Needham Line commuter rail. Some additional commuter-rail trains may stop there depending on the current schedule. Check the MBTA before traveling.

The Orange Line provides direct service to Back Bay, Downtown Crossing and North Station.

Forest Hills Station is within walking distance.

Getting to and from the airport

Logan Airport is typically about 40–60 minutes by public transit or 20–35 minutes by car or rideshare outside the busiest traffic periods. Times are estimates and can vary significantly with traffic, service changes and wait times.
